Autumn Term

Homework Year 1

The Homework Challenges

How it works:

You must read your reading book **every day** for at least **15 mins.**

After Half-term, every week you will be asked to learn spellings.

Each term you can choose a combination of the challenges on this sheet and try to collect as many points as possible. Please remember it should be the children doing the work! Adults can help, but should not be doing it for them!

Children who collect 30 points will be able to choose a prize from the class prize box!

Good luck everyone!
