

“Never Settle For Less Than Your Best”

Eastcroft Park Code of Conduct

Children, staff and Governors have worked together to draw up a Code of Conduct. This Code of Conduct stresses the development of mutual respect, rights and responsibilities for all members of the school community. The Code of Conduct gives children and staff clear boundaries in which to work.

Pupils

Pupils should abide by the school's Code of Conduct at all times.

Respect for other children

I will always be considerate to others and will respect their property.

I will never frighten another child.

I will never hit another child or use bad language.

I will never disrupt another child's learning.

Respect for adults

Adults who are part of Eastcroft Park School are there to help and care for me.

I will always show respect for them and will have good manners at all times.

I will trust them to help me sort out any difficulties.

Respect for our school

As a member of Eastcroft Park school I will wear my school uniform with pride.

I will always conduct myself according to our school Code of Conduct.

Respect for our environment

I am proud of my school and will treat the school environment with respect.

Respect for learning

I will come to school regularly, on time, and in the right frame of mind to learn.

I will always come to school prepared with everything I need.

I will listen carefully and always pay attention.

I will take pride in all my work, completing every task to the best of my ability.
