Children's University Graduation

Dear Parents / Carers,

Congratulations your child is to be presented with a Children's University National Award at the Children's University Graduation Ceremony to be held at Liverpool Hope University's, Hope Chapel, Hope Park Campus (Taggart Avenue, Childwal, L16 9JD). Attached is some details about directions and parking.

The ceremony will take place on Friday 19th June 2026. The children will be leaving school at approximately 12.00 and returning approximately 15.30. The ceremony will commence at 13.30 (Doors open at 13.00).

Parents/ Carers are invited to attend this event strictly 2 guests per family admittance to the venue. It is very important that each family adheres to this request as the venue has a set capacity.

Parents / Carers are asked to make their own transport arrangements. Parking is available on site on a Pay and Display basis. Further information on directions to the campus along with parking on the campus can be found on the enclosed leaflet or in school.

Unlike previous years there will be no official graduation photographs taken at this event. Instead they will be taken at a later date in school. When it does occur, these photos will not be shared and prints will be available for purchase from school. If you have any objection to this please let me know. Please complete and return the slip below giving your permission to attend the graduation and also photographic permission.

We would be really grateful If parents/carers would be willing to make a voluntary contribution of £5.00 towards the cost of transport as the cost of this is well over £2000.

Yours Sincerely

Mr C Youngman
Eastcroft Park KCU Coordinator

Subject: Keeping your child safe as they start school

Dear Parent or Carer,

Did you know that England is no longer a measles-free country?

Over the past few years, we have seen more and more children catching measles. Most of the recent cases in England have been children under the age of 10 years old, with many outbreaks linked to nurseries and schools.

This is because measles moves quickly and easily between children who are unvaccinated. We know that measles can be serious, have life-changing complications, put children in hospital, and even cause death.

You may be worried that your child may catch measles

If your child hasn't had **two doses** of a vaccine containing MMR (Measles, Mumps, Rubella) they are not fully protected and are at risk of catching measles. Please check your child's **Red Book** today.

If they have **not** had two doses, please **call your GP surgery** to book an appointment. It is free and will help keep your child protected when at school, at home, when with friends, grandparents, and when travelling on overseas holidays. Your GP will also be able to tell you if your child requires any more childhood vaccines.

This autumn, your child can also get a **free flu spray** at school. This is a simple spray that goes up the nose and protects them from flu bugs.

Please scan the QR code below to learn more about these vaccines, or visit: [NHS MMRV vaccine programme](#)

Thank you for helping to keep your child and our schools healthy.

Yours sincerely,

Tricia Spedding
Head of Public Health
NHS England – North West

Dear Parents/Carers,

FACE School Annual Membership

Eastcroft park School have bought an annual membership for the academic year 2025/2026 with FACE (family, advice, communication and education)

Face delivers online support via zoom for Parents and Carers

Every month we will send you the Newsletter and Timetable. I have attached the January 2026 Newsletter for your information

FACE offers parents practical advice, information and support, across a wide range of topics, including supporting neurodiverse children, understanding emotions and managing behaviour.

The Eastcroft Park Primary School Code is EP300625

This code grants all Eastcroft Park parents/carers access to all FACE Parent Talks (usually £24 each) for the next 12 months.

The talks are on a four-weekly rotation and alternate between morning sessions (10:00-11:30) and evening sessions (19:00-20:30).

Links to recordings of the talks are available for 48 hours after the live session. If you cannot make a live session, book on and then email to request the recording link.

How to Use the Code:

Visit the **PARENTS** page of the FACE website (facefamilyadvice.co.uk) to view the 16 regular talks for parents.

Choose a topic and click through the booking calendar to find a date and time that suits you.

At the payment stage of booking, enter the code **EP300625** where it says **ADD PROMO CODE**. This will reduce the price from £24 to £0.

Important:

You do not need to book the FREE sessions for parents , as these are for parents from schools that have not purchased the discount code. They are shortened versions of the regular talks which you now have free access to.

The code **EP300625** can only be used for the regular £24 each Parent Talks from Eastcroft Park School and cannot be shared with parents from different schools. Improper use of the code can result in immediate code cancellation for the whole school.

For further information please refer to Eastcroft park School website
<https://www.eastcroftpark.co.uk> or contact the school office on 01514778210
email eastcroft@knowsley.gov.uk

Yours sincerely
