Face delivers online support via zoom for Parents and Carers

Every month we will send you the Newsletter and Timetable. I have attached the August/September 2026 timetables for your information

FACE offers parents practical advice, information and support, across a wide range of topics, including supporting neurodiverse children, understanding emotions and managing behaviour.

The Eastcroft Park Primary School Code is EP300625

This code grants all Eastcroft Park parents/carers access to all FACE Parent Talks (usually £24 each) for the next 12 months.

The talks are on a four-weekly rotation and alternate between morning sessions (10:00-11:30) and evening sessions (19:00-20:30).

Links to recordings of the talks are available for 48 hours after the live session. If you cannot make a live session, book on and then email to request the recording link.

How to Use the Code:

Visit the **PARENTS** page of the FACE website (facefamilyadvice.co.uk) to view the 16 regular talks for parents.

Choose a topic and click through the booking calendar to find a date and time that suits you.

At the payment stage of booking, enter the code **EP300625** where it says **ADD PROMO CODE**. This will reduce the price from £24 to £0.

Important:

You do not need to book the FREE sessions for parents , as these are for parents from schools that have not purchased the discount code. They are shortened versions of the regular talks which you now have free access to.

The code **EP300625** can only be used for the regular £24 each Parent Talks from Eastcroft Park School and cannot be shared with parents from different schools. Improper use of the code can result in immediate code cancellation for the whole school.

Wrap around care provision is term time only and is only available to those children who will be attending Eastcroft Park School.

We are currently limiting the number of spaces available to 20 due to the required staff: pupil ratios. However, this number may increase as our school grows. The after-school provision is currently available for Reception to Year 6 children. After School Care runs from 3.15 pm to 5.30pm, Monday to Friday. Your child will be given a snack and a drink. The cost for this session is £6.00 per day. There is a discount for siblings within the same family. Please contact the school office if you wish for your child to attend

Parent Pay cashless system

From September 2026, Eastcroft Park School are going to attempt to go completely cashless due to the closure of the banks in the North West. To remove all cash and cheques from school we are asking all parents to only use our e-payment method to pay for dinner money, snack and other forthcoming money items such as charity donations, trips, school activities.

This can be done online using a very secure website called ParentPay or in cash at local stores where you see the Pay Point logo. If your child has not got a Parent pay account set up, please contact the office for a letter.

Snack for Nursery children 50p a week or £19.50 for the school year

Parent App

This is the most effective way of communication between school and Parents/Carers

Once your child is enrolled at Eastcroft Park School, you will receive a TEXT or EMAIL invitation with further instructions on how to download and access the app. If your child is currently enrolled at Eastcroft Park School and you do not have the Parent App or you have not received an invitation, please contact the school office and we can check that we have the correct contact information for you. The App is free to download and is available for both Apple and Android devices. It will provide you with instant access to our term dates, event information, newsletters, social media, website and much more. We will use the app to send targeted messages via push notifications so you aren't bombarded with messages that are not relevant. Lastly, the app is fully secure and GDPR compliant and in order to access it you will need to be invited via email or SMS message.

It is very important you download the school app especially during the current climate as this is our main source of communication and you will miss out on important information about your child and what is happening within our school.
