Trans Pennine Trail Summer Activity Pack

There is a link to **Kids Summer Activity Pack**, bursting with fun, family-friendly activities to help children stay active, creative and connected with nature during the summer holidays.

Featuring Mandy Mole, Hannah the Horse, Bob the Badger and their friends, the pack includes outdoor challenges, crafts, puzzles, colouring activities, a short adventure story and plenty of opportunities for children to explore the natural world while having fun.

Suitable for Key Stage 1 and 2 children, the free pack can be downloaded to a mobile device or printed at home, making it perfect for families at home, in the garden, at the park or out on the Trans Pennine Trail. The activity pack can be downloaded from our Children's Page, at:

<https://www.transpenninetrail.org.uk/childrens-page/> if you would like to discover more about the Trans Pennine Trail in your area, you can also download local route leaflets from the website, at:

Dear Parents / Carers

The Government's Household Support Fund has been funding food vouchers for children who receive free school meals during the school holidays.

However, the Government confirmed that this fund is now closed. This means that the free school meal vouchers distributed to parents during the school holidays will no longer be available.

In the absence of the Government funding, the Council were able to support with an additional one-off payment for food voucher over the recent May school holidays.

A comprehensive Holiday Activity and Food Programme will continue to be delivered during school holidays, providing both free activities and a meal for children who attend.

Information will be provided here - [Holiday activities and food for children and young people](#) nearer to the summer holidays.

If you do need any additional financial support, please visit [Financial advice and support | Knowsley Council](#)

Yours faithfully

OPEN WATER: DON'T TAKE THE RISK

Swimming in or playing near rivers and canals may seem like a great idea, particularly on a warm day, but it could all end in tragedy. **DON'T take the risk.**

THE WATER IS COLD...

...even on very warm days, rivers and canals contain water barely above 10 degrees. Sudden immersion can lead to cold water shock, which can cause gasping and intake of water.

This can be deadly in a matter of seconds.

DID YOU KNOW?

Even the narrowest of rivers can be considerably deep. Rivers are subject to strong flow and **hidden currents** which can trouble even the strongest of swimmers.

WHAT LIES BENEATH?

The water is untreated and can make you ill.

Canals and rivers contain pollutants, sewage and often unseen underwater obstructions and snag hazards.

Debris under the water such as shopping trolleys, broken glass and cans can cause **injury** or **trap** you.

Remember, there are no lifeguards to help you at your local river, lake, canal or dam.

Rivers can be very difficult to climb out of, especially with **steep or slimy banks**. **Stay clear of rivers with steep or unguarded banks.**

IN AN EMERGENCY...NEVER enter the water to try and help a person or animal. You could get into difficulty yourself. Instead, dial 999 and use any water rescue equipment that is available.

If you fall into the water unexpectedly, fight your instinct to thrash around. Instead, lean back, extend your arms and legs & float.

Dear Parents/Carers,

FACE School Annual Membership

Eastcroft park School have bought an annual membership for the academic year 2025/2026 with FACE (family, advice, communication and education)

Face delivers online support via zoom for Parents and Carers

Every month we will send you the Newsletter and Timetable. I have attached the January 2026 Newsletter for your information

FACE offers parents practical advice, information and support, across a wide range of topics, including supporting neurodiverse children, understanding emotions and managing behaviour.

The Eastcroft Park Primary School Code is EP300625

This code grants all Eastcroft Park parents/carers access to all FACE Parent Talks (usually £24 each) for the next 12 months.

The talks are on a four-weekly rotation and alternate between morning sessions (10:00-11:30) and evening sessions (19:00-20:30).

Links to recordings of the talks are available for 48 hours after the live session. If you cannot make a live session, book on and then email to request the recording link.

How to Use the Code:

Visit the **PARENTS** page of the FACE website (facefamilyadvice.co.uk) to view the 16 regular talks for parents.

Choose a topic and click through the booking calendar to find a date and time that suits you.

At the payment stage of booking, enter the code **EP300625** where it says **ADD PROMO CODE**. This will reduce the price from £24 to £0.

Important:

You do not need to book the FREE sessions for parents , as these are for parents from schools that have not purchased the discount code. They are shortened versions of the regular talks which you now have free access to.

The code **EP300625** can only be used for the regular £24 each Parent Talks from Eastcroft Park School and cannot be shared with parents from different schools. Improper use of the code can result in immediate code cancellation for the whole school.

For further information please refer to Eastcroft park School website

May 2026

Subject: Keeping your child safe as they start school

Dear Parent or Carer,

Did you know that England is no longer a measles-free country?

Over the past few years, we have seen more and more children catching measles. Most of the recent cases in England have been children under the age of 10 years old, with many outbreaks linked to nurseries and schools.

This is because measles moves quickly and easily between children who are unvaccinated. We know that measles can be serious, have life-changing complications, put children in hospital, and even cause death.

You may be worried that your child may catch measles

If your child hasn't had **two doses** of a vaccine containing MMR (Measles, Mumps, Rubella) they are not fully protected and are at risk of catching measles. Please check your child's **Red Book** today.

If they have **not** had two doses, please **call your GP surgery** to book an appointment. It is free and will help keep your child protected when at school, at home, when with friends, grandparents, and when travelling on overseas holidays. Your GP will also be able to tell you if your child requires any more childhood vaccines.

This autumn, your child can also get a **free flu spray** at school. This is a simple spray that goes up the nose and protects them from flu bugs.

Please scan the QR code below to learn more about these vaccines, or visit: [NHS MMRV vaccine programme](#)

Thank you for helping to keep your child and our schools healthy.

Yours sincerely,

Tricia Spedding
Head of Public Health
NHS England – North West
